Medical Insurance Benefit Plans

The District offers a choice of five medical plans through our membership in Self-Insured Schools of California (SISC):

- Kaiser Permanente HMO
- Kaiser Permanente Account Based Health Plan with a Health Savings Account (HSA)
- Blue Shield HMO
- Blue Shield PPO
- Blue Shield Account Based Health Plan with a Health Savings Account (HSA)

The Kaiser Permanente HMO, Blue Shield HMO, and Blue Shield PPO all require that you present your ID card to your provider and pay the applicable co-payment (if any), to receive services.

The two Account Based Health Plans (Kaiser and Blue Shield) have a high deductible that must be paid by the employee before the health plan will pay any portion of the cost of services. If you enroll in either of the two Account Based Health Plans, the District will contribute an agreed upon amount to a health savings account (HSA) on your behalf.

You may preview a benefits summary for each plan on the Human Resources web page:

- b. A unit member with medical restrictions documented by a physician, and subject to verification by a District selected physician, may use earned and unused sick leave to maintain their regular FTE pay status.
- c. Unit members may elect a leave without pay in lieu of maintaining their FTE pay status with no impact on the unit member's District paid benefits or benefit accrual rates. Retirement service credit is subject to the rules and regulations of the Public Employees Retirement System or the unit member's retirement system.
- d. Upon written request to (and approval by) the Vice President of Human Resources, a unit member may utilize personal necessity leave to maintain their regular FTE pay status to accommodate difficulties with the 4/10 schedule concerning dependent care.

An additional break of ten (10) minutes per day may be added to another rest period during the day or be utilized independently, as scheduled between the employee and the supervisor.

REQUEST PROCESS:

1. If approved at both levels, the schedule shall be implemented. Reasonable requests shall not be arbitrarily denied.
2. If not approved by immediate supervisor, the unit member, within five (5) calendar days of being denied by the supervisor, may appeal in writing to the Appeals Committee composed of the Vice President of Human Resources or designee, one administrator representative appointed by the Superintendent/President and a representative appointed by SEIU, Local 1021. Their decision shall be made by consensus and it is final and not subject to any further administrative review.

From: Danielle Donica/Linda Jay, Human Resources

Subject: **Summer Hours for the Period From (Memorial day) May – (last Friday in)July**

Per SEIU Contract Article 6.8.1, beginning Memorial Day week in May, the District will implement the Summer 4/10 Schedule. The work week will be four (4) days per week, Monday through Thursday, 10 hours per day. Employees need to work their full weekly FTE hours within this schedule, or reduce their schedule per the information below. This schedule will be in effect until last Friday in July.

The College's public hours will not be changed. Offices should plan on being open from 8:00 a.m. - 5:00 p.m. Monday through Thursday. The College will be closed from Friday through Sunday. Any office/department requesting exceptions to the normal public hours must be recommended to the employee's immediate supervisor and Component Administrator. If approved, those requests shall be forwarded to the Human Resources Department.

The full text of the Summer Hours Agreement is in Appendix G.1 of the SEIU/District contract. The agreement explains how an employee may use vacation time, compensatory time off (CTO), sick leave (if applicable), etc., to work less than ten hours per day.

If you wish to work an alternative schedule please complete the Summer Alternative Work Schedule Notice of Absence (NOA) form on the back of this memo and submit to your supervisor for approval. This form should be submitted to Human Resources by May 9.

Please report only your reduced hours for the Summer 4/10 Schedule. If you plan on taking additional time off during this period, please submit those hours on a separate NOA reporting your actual hours absent per day.

Please note: if you will be working within the established summer work hours and your regular FTE nothing further is required. Please do not submit this form if you are not reducing your FTE.

Thank you.

SIDE LETTER TO ARTICLE 14, FILLING VACANT POSITIONS
SEIU Local 1021 and Sonoma County Junior College District

June 27, 2019

In response to the implementation of the Supplemental Early Retirement Program (SERP) which resulted in a significant number of retirements in the District, staffing guidelines will be followed as outlined in this Side Letter to address the classified vacancies. This Side Letter is proposed to address the most immediate staffing needs with subsequent Side Letters to be discussed for longer-range staffing needs. SEIU Local 1021 and the Sonoma County Junior College District agree that this Side Letter shall run concurrently with the "Guiding Principles for Staffing" adopted by the Board of Trustees on May 14, 2019.

These temporary guidelines are necessary to address the anticipated needs for filling key positions and the short and long range effects of unit members who are transferred, as the District is reorganized. The District and the Union will work together to ensure workloads are reasonable.

Goal of Increasing Time Bases for Part-Time Positions

In the process of reorganization and transfers, the District's goal will be to increase classified unit member positions from fewer than 20 hours to 20 hours or more to ensure eligibility for health benefits. Another goal will be to increase unit member positions that are less than full time (60%, 80%, etc.) to full-time positions, including unit members who work less than 12 months per year. These goals will be implemented with consideration given to budgetary constraints.

Filling Vacant Classified Positions

Transfer opportunities are available to unit members as outlined in Article 14 of the District/SEIU Contract. A "transfer" is currently defined as a move from one work location or department or supervisor to another work location or department or supervisor in the District within the same job classification, or a job classification at the same or lower salary grade.

This Side Letter is proposing that promotional opportunities for internal transfer within the District at a higher salary grade and classification be allowed during the District-wide reorganization.

Following are options for filling vacant positions under a District-wide reorganization:

INTRA-DEPARTMENTAL TRANSFERS

1. When there is a key vacancy within a department where there is only one unit member who meets the minimum qualifications and is serving in a single-incumbent position, the supervisor may fill the key vacancy by assigning the unit member to the higher level classification. The single-incumbent position that may be vacated by the transfer may be eliminated for budget reduction purposes.
2. When there are multiple unit members within a department who are interested in and qualified for a new vacancy in the department, the unit members may be offered the opportunity to submit a detailed letter of interest, resume and/or employment application to the supervisor in order to be considered for the vacant key position. The supervisor may request an interview and/or a skills test to assess the qualifications of the unit members. The supervisor may either offer the position to a unit member within the department or open the position to all qualified unit members.

DISTRICT-WIDE INTERNAL TRANSERS

1. Positions may be opened District-wide to all qualified unit members by the internal transfer process.
2. If not filled by the internal transfer process, a District-initiated transfer may then be considered.

Filling vacant positions by external recruitments will be the final option in order to keep the number of new unit members to a minimum.

Human Resources will monitor the hiring processes for transfers to ensure compliance with applicable law.

Meet and Confer

There will be a meet and confer as needed for District-initiated transfers, exceptions to these options, or to discuss the impacts of the District-wide reorganization on remaining unit members due to unfilled positions.

Addressing Temporary Staffing Needs

The District may employ Student Employees and Short-term, Non-Continuing Employees (STNCs) on an interim or temporary basis to fill key positions, as provided by law. The District agrees to provide training to all managers and supervisors on the correct use of STNCs per the Education Code. SEIU will provide input on and receive a copy of these training materials.

The District agrees to continue bargaining for the inclusion of Floater Positions into Article 14 during the 18/19 contract bargaining cycle.

This Side Letter is in effect until June 30, 2021 which is the anticipated transition period of the District-wide reorganization. Extensions can be considered if necessary to complete the process.

SIDE LETTER TO ARTICLE 14, FILLING VACANT POSITIONS
SEIU Local 1021 and Sonoma County Junior College District
August 27, 2020

TEMPORARY REASSIGNMENT PROCESS TO ADDRESS WORKLOAD ISSUES
DURING REMOTE WORK ENVIRONMENT

On June 27, 2019, the District and SEIU signed a Side Letter to Article 14, Filling Vacant Positions (side letter) and agreed to continue bargaining for the inclusion of Floater Positions into Article 14. The side letter was developed in response to the implementation of the Supplemental Early Retirement Program (SERP) which resulted in a significant number of retirements in the District. Staffing guidelines were developed to address the classified vacancies. The side letter was negotiated to address the most immediate staffing needs with subsequent side letters to be discussed for longer-range staffing needs. SEIU Local 1021 and the Sonoma County Junior College District agreed that the side letter would run concurrently with the “Guiding Principles for Staffing” adopted by the Board of Trustees on May 14, 2019. The temporary guidelines provided in the side letter are necessary to address the anticipated needs for filling key positions and the short and long-range effects of unit members who are transferred, as the District is reorganized.

When the District faced the challenge of addressing work environment restrictions with COVID-19 in Spring 2020, most unit members transitioned to working remotely, if they had duties that could be performed remotely. This has resulted in some unit members experiencing heavier workloads than normal due to the demands of providing service in a remote environment, while other unit members are not able to work their full time base. To address this imbalance and meet the needs of the District, this proposal will initiate the ‘Floater Pool’ concept created in the side letter.

In July 2020, the District conducted a Classified Workload Survey by requesting that Management Team members provide information regarding areas that were in need of assistance and identify unit members in their areas who were not working their full time base. To address these and any other additional needs and potential temporary transfer opportunities that are identified, the District and SEIU agree to utilize the process outlined below:

1. Define the temporary assignment
 - a. Duration of the assignment (start date and end date)
 - Short-term: 6 months or less (temporary impact); no impact to classification or seniority
 - Long-term: Greater than 6 months (ongoing need);
 - The District and SEIU will consider impacts to classification and seniority, and whether the situation should be addressed permanently.
 - b. Expected time needed (weekly hours and preferred work schedule)
 - c. Type of Assignment:
 - Covering a leave
 - Completing a project
 - Demand surge
 - Safety monitors
 - Remote or On-site

- d. Funding Source: assumption that the cost of salary and benefits will continue to be paid by the primary department. Consider any funding issues, especially for categorical programs/grants that are volunteering unit members to temporarily be transferred to another department.
2. The District will periodically survey the Management Team to identify areas of need and define the needs of the temporary assignments as specified above, including requesting a detailed description of duties to be performed and identifying the classification (job title) whenever possible.
 - a. Explore departmental options first: departments should review and exhaust internal options for retasking staff within the department before considering temporary transfers of unit members into or out of their department. In situations where there is no change in classification and the unit member is working 80% or more of their duties within classification, the employee is working within their regular time base, supervisors are in agreement and the employee is willing to help out on a partial basis in other areas, this could be handled informally within the department rather than considering this to be a formal temporary transfer.
3. SEIU will periodically notify unit members of current District-wide needs based on the feedback received from the Management Team Survey. SEIU will contact any unit members who respond to this notification as well as unit members identified in the Management Team survey to determine their areas of expertise and if any immediate matches can be made for temporary transfers.
4. SEIU will inform the District of the results of their contact with unit members. The District and SEIU will meet and confer to discuss placement of employees into temporary assignments. The following will be considered:
 - a. Prioritizing needs that can save District funds.
 - b. Determining whether a probationary period for the temporary assignment is necessary (service in temporary assignment is not subject to evaluation as long as the assignment remains temporary).
 - c. Identifying if there would need to be a change in classification for the temporary transfer.
 - Avoid temporary assignments that would require working out of class or increases in time base and changes in classification, whenever possible.
 - Work duties out of the unit member’s classification which amount to 20% or less of total duties are not considered to be working out of class.
 - Unit members will be compensated at their normal pay grade when performing any duties that are typically at a lower grade (Z-rated).
 - If there will be a change in classification, SEIU and the District will consider impacts on seniority.

- d. Communicating safety protocols and re-educating existing staff on protocols within the office; considering high-risk individuals or other issues that would prevent staff from working on site
 - e. Considering best fit, personalities, availability and need for supervisors in both departments and unit members to communicate regularly about workloads that may affect temporary assignments
 - f. Assigning very specific projects/tasks to avoid confusion over responsibilities; considering training issues and time to learn new duties.
 - g. Addressing filling of STNC assignments with temporary assignments for unit members.
5. SEIU and the supervisors will meet with Human Resources to discuss the terms of the temporary assignment. The unit member may choose to participate in this meeting.
 6. Board approval is required for any additional compensation or changes in classification or time base. A Personnel Action Form will be processed in all situations for recordkeeping purposes.

SIDE LETTER TO ARTICLE 14, FILLING VACANT POSITIONS

SEIU Local 1021 and Sonoma County Junior College District

Revised June 24, 2021

In response to the implementation of the Supplemental Early Retirement Program (SERP) which resulted in a significant number of retirements in the District, staffing guidelines will be followed as outlined in this Side Letter to address the classified vacancies. This Side Letter is proposed to address the most immediate staffing needs with subsequent Side Letters to be discussed for longer-range staffing needs. SEIU Local 1021 and the Sonoma County Junior College District agree that this Side Letter shall run concurrently with the “Guiding Principles for Staffing” adopted by the Board of Trustees on May 14, 2019.

These temporary guidelines are necessary to address the anticipated needs for filling key positions and the short and long range effects of unit members who are transferred, as the District is reorganized. The District and the Union will work together to ensure workloads are reasonable.

Goal of Increasing Time Bases for Part-Time Positions

In the process of reorganization and transfers, the District’s goal will be to increase Classified unit member positions from fewer than 20 hours to 20 hours or more to ensure eligibility for health benefits. Another goal will be to increase unit member positions that are less than full time (60%, 80%, etc.) to full-time positions, including unit members who work less than 12 months per year. These goals will be implemented with consideration given to budgetary constraints.

Filling Vacant Classified Positions

Transfer opportunities are available to unit members as outlined in Article 14 of the District/SEIU Contract. A “transfer” is currently defined as a move from one work location or department or supervisor to another work location or department or supervisor in the District within the same job classification, or a job classification at the same or lower salary grade.

This Side Letter allows for promotional opportunities for internal transfer within the District at a higher salary grade and classification during the District-wide reorganization.

Following are ~~options the steps~~ for filling vacant positions under ~~a the~~ District-wide reorganization. ~~Positions may be filled in the most appropriate manner given the circumstances under consideration for each vacancy that arises:~~

~~OPTION-STEP 1: DISTRICT-WIDE INTERNAL TRANSFER~~

Positions ~~may will~~ be opened District-wide to all qualified Classified unit members ~~by through~~ the internal transfer process, ~~however it will be open internally.~~ All positions will be advertised internally for two weeks.

~~OPTION-STEP 2: DISTRICT-INITIATED TRANSFER~~

If not filled by the District-wide internal transfer process, a District-initiated transfer may be considered.

~~OPTION-STEP 3: EXTERNAL RECRUITMENT~~

Filling vacant positions by external recruitment will be the final option after ~~Options-Steps 1 and 2~~ have been exhausted in order to keep the number of new Classified unit members to a minimum.

Human Resources will monitor ~~the all~~ hiring processes ~~for transfers~~ to ensure compliance with applicable law.

Meet and Confer

There will be a meet and confer as needed for District-initiated transfers, exceptions to these options, or to discuss the impacts of the District-wide reorganization on remaining Classified unit members due to unfilled positions.

Addressing Temporary Staffing Needs

The District may employ Student Employees and Short-term, Non-Continuing Employees (STNCs) on an interim or temporary basis to fill key positions, as provided by law. The District agrees to provide training to all managers and supervisors on the correct use of STNCs per the Education Code. SEIU will provide input on and receive a copy of these training materials.

For the duration of this Side Letter, the District agrees to continue bargaining for the inclusion of Floater Positions into Article 14, ~~during the 21/22 contract bargaining cycle.~~

This Side Letter is in effect until June 30, 2024 which is the anticipated transition period of the District-wide reorganization and long-range plan to fiscal stability. Extensions can be considered if necessary to complete the process.

Memorandum of Understanding
between
Sonoma County Junior College District
and
Service Employees International Union (SEIU)

Article 19 CLASSIFICATION/RECLASSIFICATION

The District and SEIU agree to commission a comprehensive Classification Review and Salary Study of the Classified Unit. The District is to bear the cost of commissioning this Study.

The District and SEIU agree that selecting the vendor to commission this comprehensive Classification Review and Salary Study will be an open-minded RFP process. The selected vendor will propose the review methodology, and this same process will be used to review all of the positions in the Classified Unit. In addition, this methodology will be used to review classified positions during an annual review cycle. The District and SEIU will agree on the vendor.

The comprehensive Classification Review and Salary Study will be an employee-driven process with Supervisor input. The unit member will provide initial input, with a review opportunity and appeal process.

The regular CRC process will be on hiatus for fiscal years 2017/18 and 2018/19.

Timelines for the Comprehensive Classification and Salary Study

The RFP process to select a vendor will commence in the Fall 2017. The comprehensive Classification Review and Salary Study will commence immediately after award of the contract to the selected vendor, or as soon as possible thereafter.

Results of the Study will be due to SEIU/District Negotiations by January 1, 2019 or as soon as possible thereafter. SEIU/District will negotiate the effects and implementation of the study January-June, 2019 with a target implementation date of July 1, 2019

In addition to the above, the District and SEIU agree to negotiate the following factors during January– June, 2019:

- Revised CRC process effective date.
- SRJC placement in relation to comparable entities.
- Z-Rating.
- Unit members moving to lower steps to ease implementation burden.
- Restarting annual review cycle

Off-Schedule Reviews

The District and SEIU agree that Off-schedule reviews will continue during the comprehensive Classification Review Process with the following conditions:

1. The cut-off date for any new Off-Schedule reviews will be effective October 10, 2017
2. Classification reviews triggered by events specified in Article 19.5.2. outside of the Study will only be considered in extreme circumstances. For example:
 - a) Unanticipated situations (to be determined by the SEIU President, Vice President of Human Resources, and the CRC Co-Chairs)
 - b) New positions that cannot be described by an existing job description (to be determined by CRC)
 - c) Categorically funded positions that require specific job titles/classifications
3. Any positions that have gone through an off schedule review will be reviewed again under the new process after the implementation of the full classification review. Those results shall be implemented retroactively to the date of the implementation of the full classification review.

Comparable Entities for Salary Study

The District and SEIU will agree on comparable entities, which will consist of a number of Community/Junior Colleges that are similar to SRJC and a number of Bay Area public sector employers. Only base salary will be compared between entities. The selected vendor will propose how disputes regarding classification matches between entities will be resolved in their RFP submission.

Side Letter on Memorandum of Understanding - Article 19

SEIU Local 1021 & Sonoma County Junior College District

Effective until June 30, 2021

Memorandum of Understanding - Article 19 Classification/ Reclassification (Temporary Amendment)

SEIU Local 1021 and the Sonoma County Junior College District recognize the need to consider off-schedule reviews in a limited capacity. This has become a necessity due to delays in the comprehensive Classification Review and Salary Study of the Classified Unit.

The delay in implementing the study has been an unanticipated situation as described in the Memorandum of Understanding which may warrant an off-schedule review. Therefore, any situations where unit members have been working out of classification for at least 12 consecutive months since November 1, 2017 will be considered for off-schedule reviews.

This Side Letter agreement is limited in scope and seeks to amend the Memorandum on a ^{*through December 31, 2019*} ^{*Amended on*} ^{*5/23/19*} temporary basis. The remainder of the Memorandum of Understanding remains in effect. ^{*per Team.*}

Once the effective date of the Memorandum of Understanding has expired, the parties shall follow existing contract language for Article 19 that was in effect before this Side Letter.
