Side Letter Regarding Hiatus of the Annual Classification Review Process

The District and SEIU mutually agree to suspend the annual classification review process through June 2027 in light of the District-wide reorganization approved by the Board of Trustees on March 10, 2026.

During this hiatus, the Classification Review Committee's scope will be limited to off-schedule reviews and new classification requests necessitated by the reorganization. Any pending off-schedule reviews as of the effective date of this agreement will continue through the process.

Should the reorganization timeline extend beyond the projected date, both parties commit to meet and reconvene to evaluate the status of this suspension.
