Side Letter Regarding Health Promotions Positions

September 10, 2026

The Sonoma County Junior College District (District) and SEIU Local 1021 Classified bargaining unit mutually agree to the following recommendation from the Classification Review Committee:

The Classification Review Committee has done a review of the Coordinator, Student Health Promotion and Health Promotions Specialist job descriptions. Currently both positions are graded at a level C13, despite varying levels of responsibility in the hierarchy. The Classification Review Committee is recommending to downgrade the Specialist from C13 to C12 and z-rate the incumbent so that the position is one grade below the coordinator position.
