Side Letter Regarding Classified Shared Governance Program

July 28, 2026

The Sonoma County Junior College District (District) and SEIU Local 1021 Classified bargaining unit mutually agree to the following:

The Classified Shared Governance Program is aligned with the CCCCCO Vision for Success because it enhances the mechanism for classified professionals to participate meaningfully in the governance bodies where related decisions are shaped. This involvement is fundamental because classified professionals often work closest to students in the systems, offices, and processes where barriers first appear. Their participation helps ensure that participatory governance recommendations are informed by front line experience and are better connected to the Vision for Success related (now Vision 2030) goals of completion, transfer, workforce readiness, reduced excess units, and closing equity gaps.

Therefore, the parties agree that the program qualifies to utilize the 2018/19 Funds for Professional Development for Classified Community College Employees.
